

Hello, I'm Tony, Gaffer and Owner of "Tailslate Films" rental shop.

I used to be a Cinematographer for 7 years, even graduated from a Film School with bachelor degree, but all of a sudden decided to downgrade myself to fit into Grip & Electric department for a certain period of time skill- and experience-wise. Mostly I'm focused on lighting and all the shapes and forms it's might take.

GRIP & ELECTRIC DEPARTMENT
